WORK EXPERIENCE

Product Marketing Manager Kipkom

12/2016 – Present

Tel-Aviv, Israel

Kipkom is all about capturing audience attention through creative thinking and innovative products.

Achievements/Tasks

- Responsible for growing revenues from 0 to \$100K
- Managed a marketing team assembled by - designers/marketers/developers
- Assembled multiple marketing strategies exercising multi-channel methods including - social media, SEO/SEM, Content marketing, online PR, Mobile and video marketing.

Co-Founder & Head Of Product Cheesy LTD

09/2015 – 11/2016

Raanana, Israel

Cheesy is an online platform for pizza ordering. I wrote my first software solution for the pizza market as a part of a high-school project. 4 years later I've assembled the right team of pizza enthusiasts to develop a truly valuable product that is missing from online pizza ordering. As CEO I established the company's vision and culture as I believe this is the core for every venture. I managed product development, recruiting, fund-raising and marketing.

Achievements/Tasks

- Raised funds for a 1y roadmap
- Full product life-cycle:
Research|UI/UX|Development|Testing & QA|Marketing

Product Marketing Manager Wolflo - "Easy to Follow"

08/2014 – 09/2015

Tel-Aviv, Israel

The future of social media is now upon us. What we have done at Wolflo is created a system which now allows all Fans/Followers to stay connected with social media unlike any way before. Through Wolflo's unique capabilities users are now able to follow all of social media content by streaming all social network sites into one individual feed.

Achievements/Tasks

- Responsible for all marketing efforts leading to MAU growth of 400%
- Assembled product & business strategy based on knowledge from a series of focus group meeting.
- Full Product lifecycle - R&D|UI/UX|Testing|Marketing
